2009 Player Subs:

We hope you all had a well deserved and enjoyable break and looking forward to the next phase into D2 as a stepping stone into the Club's long term plan for the future.

Obviously, we now want to build on the successes of 2008 and in reality what that means, is commitment from each and everyone, starting immediately. Members and helpers of the committee, in the planning and execution of various tasks and the players in ensuring they achieve optimum fitness through attending regular training sessions, are viewed as vitally important to the Club's progress.

The playing group should be commended for their efforts with the majority paying the annual subscription prior to the first game of the season in 2008. The start up costs early in the year are quite substantial with association fees, equipment, medical supplies etc; not to mention improvements to the social rooms which we have to fund in conjunction with the Cricket Club.

Despite general costs increases in everything, the committee has budgeted for a small increase in 2009 ie: **Full Subs \$170 and Concession \$120.**

Students must produce proof to be eligible for the concession.

In 2009, we want a more appropriate way of involving the non-playing members of our club. In light of this, we have introduced a social membership. It will cost \$50 dollars per person with the member receiving the first drink free each time they are at the club. If you sign up before round 1, it will be \$75 for 2 people.

Payment Options:

Full payment must be received no later than Thursday 16th. April, 2009.
